*Let us understand that no language can describe your Mother's worth, and you Dwight, Shirleen, and Thomas should know that yours was tried and true!*

*However Mother White was not called hence until her tasks were done.*

*In flesh of man there is the essence of the resurrection of the physical dead. This essence quickened by the HOLY BREATH, will raise the substance of the Body to higher tone!*

*This will make it like the substance of the bodies of the planes above, which human eyes cannot behold.*

*There is a Holy Ministry in the physical death. The essence of the body cannot be quickened by the HOLY BREATH until the "fixed" is solved; the body must disintegrate, and this is death as we have come to understand it!*

*Then let your Mother rest in peace. Just let her noble life be strength and inspiration unto each of you!*

*PEACE and LOVE ALWAYS!*
