“ *Blannon and Greg...your Mom...I cannot even put into words how GREAT she “is” and I say is because her loving sprit will live on forever. Walking into your home was like walking into my own home. She always made me feel like I was her son. She had a profound impact on everyone that knew her. Your Mom's insight and love for people was second to none. “God has truly called one of his Angels home”*

“ I don't recall ever calling her Ms.Campbell or Ms. Toni. She was instantly Ma to me, as she welcomed all the neighborhood kids into her home and loved us all as her own. She attended my track meets for me, I remember loading up to travel near and far to attend every one of Blannon's basketball games in high school. She was there to celebrate my college graduation even when Blannon couldn't make it. There is such a special place in my heart for this woman. She will be missed dearly. I thank God for her and having her in my life. Although we are in pain by her passing, she is no longer in pain and I find comfort in knowing that she is no longer in pain.

“ My Condolences to the Family. The loss of a loved one brings much grief and sadness. But there is so much comfort that can be found in God's word the Bible. At John 5:21, Jesus assures us by means of his father that the resurrection hope will bring millions back to life again in the near future. I hope your family feel the encouragement of these words.

“ I worked with Toni for 3 yrs in a group home and it was a pleasure to have worked with her! Toni was a very kind and generous person and loved people from all walks of life! Toni will be deeply missed! I was sitting at work yesterday after I heard she had passed and just thought of all of our conversations we had! Toni could make you laugh and cry all in the same breath! Toni is with OUR HEAVENLY FATHER AND MAY HE BE BLESSED WITH HER PRESENCE! MY DEEPEST SYMPATHY GOES OUT TO HER FAMILY AND MY GOD BE WITH THEM IN THIS TIME OF NEED!

*Blannon and Gregory, it's 2016 and this message my never get read. Just one morning, I was searching the web unusual for me but I was thinking about your mom. I came across this page and my heart was overwhelmed with deep sadness upon learning of her passing. Your mom did everything for me. She was always there for me and I loved her more than words could express. I'm so very sorry for everything. She was truly a beautiful person that this earth has lost but heaven has gained.*
