“ To the family I wish to express my deepest sympathy to you all. I love Toni, she was a beautiful person on the inside and outside. I love her spirit, she would always hug me and say, "I love you anyhow, and there's nothing you can do about." Toni's bright smile and cheerfulness will be missed. To Terrell you know my family love you, and we're praying for you all.

“ wow i did not even know that Toni was gone on home to be with the lord until today. My sister Helen and i used to ride to school with her and she was a very nice and kind person. The Lord has called another one of his angels home to rest. Sleep well Toni. For the rest of the family be strong and hold on to your faith in the lord.
