“ *Tony, Tony, I have thought of you everyday since the day you left. My heart is very heavy today. I am really gonna miss you my buddy, I am gonna miss you my friend. It is gonna be different without you. There is a higher power that we answer to and you heard him calling your name. I am gonna miss that smile that said it is ok, the summer night talks we use to have. You were a young man with a very very big heart. I just think about how I could call you and you were there for me. Always a protector, a friend, a buddy. I hope to see you again one day, and I thank God that he allowed you to enter my life. Thank you, for being you, and for being real. Man this hurts, really hurts, I feel like I have lost a brother as well as a friend. Saying goodbye is not easy. To the Wallace family, I pray for your strength. To Wendy, thank you for always looking out for my friend. Tony, you will never be forgotten. Loved forever.*

“ *To The Wallace Family:*

*Remembering Tony as a fun-loving, out-going, and down to earth young man whom I had the pleasure of knowing since August 1979. When ever I saw Tony out, he always had a smile on his face. I plan on seeing Tony again after this life ends.*

*"PHILIPPIANS 1:21-23 - For to me to live is CHRIST, and to die is gain. If I am to live in the flesh, that means fruitful labor for me. Yet which I shall choose I cannot tell. I am hard pressed between the two. My desire is to depart and be with CHRIST, for that is far better."*

*Love You Always,  
Rest In Peace,*

“ *Wow growing up was not so easy but the transition of a loved one is harder. Wallaces & Meeks the only cousins to grow up around. Really sheds light on what family means whether you see each other everyday or maybe once in a while we know that somewhere down the line of living we are there for one another! Love always
