“ *I think back to the years when you were a toddler enduring the chemo and the painful spinal taps. You were such a brave little guy. I took care of you as if you were my own. The pain of losing you hurts so much that, words can't describe. As I sit here writing this, I'm thinking you have gone on to glory. You have no more pain and suffering. So glad that you had Sara in your life to take care of you. Aunt Mary, Lisa and Tujuana...my extented family to whom I consider my sisters in Christ. I love you so much. To God...take care of my little cousin as I know you can.*

“ Tony man its been a while since we walked the halls of N-Dub and back then you had a good personality and lead every step with the most impressionably character in our class. My prayers go out to your family and it was a pleasure being your friend in our high school years.

“ Hello,

My name is Pamela Traeye. I just wanted to take this time to send my condolences to the family. I too have lost a loved one in my lifetime. Did you know that the bible makes it clear that God did not originally intend for humans to die? (Gen 1:28) The bible also tells us that God has the power to bring the dead back to life and that he will do just that!! Isaiah 26: 19 states, ?Your dead ones will live... They will rise up". Jesus further reminds us at John 5: 28,29 " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." If you would like to find out more about God and his promise of the resurrection, please come visit the Kingdom Hall of Jehovah's Witnesses at 7184 Davison Rd Davison, Michigan 48423 or contact me at my email address pamelatraeye@hotmail.com.
