“ *Tonna... you were one of the nicest people I have ever met. Always kind caring and loving. We laughed so hard so many times. You always knew just what to say to me. I remember sitting in front of the computer together during our dialysis class. When we would have to mute the microphone due to us cutting up! Your phone calls were always a welcoming reminder of how much you loved me. God truly gained an angel. Love ya forever I'll see ya when I get there 💔*

Words can't express how I feel she was my God Sister her parents were my God parents she will be Sadly, sadly missed. But never forgotten dad. I remember when she used to make me home. Made pound lemon cakes. It's I remember when she drove me back to Cincinnati, Ohio from Flint Michigan and we had a row trip and we had a good time. I remember the last time we spoke over the phone. How great a conversation was I remember to text message the last one I sent her. Telling her how much I loved her and appreciated her and she text me back and told me she love me back. I will forever hold on to all the happy ties we had together. All The Times we ate together. Cry together and just had a great time. She was a bright light and and she will forever live in my heart. She will be missed. I can't pick up a phone and call her anymore. I got her last voice message on my phone I miss her voice. I will forever try to keep that voicemail on my phone. Just so I can hear her voice again. ❤️❤️❤️❤️❤️❤️❤️ Kodie I am always there for you. Don't ever hesitate to call me.
