“ *Ray and Family:*

I will keep you and your family in my prayers. God doesn't make any mistakes and he chose to select Tonya to eliminate her sickness and pain. We have the memories of Tonya to always grace our presence and they are good memories. I will always remember her smile during high school. However, she is smiling in heaven and will always be in our presence. Know that God will give you strength in the time of need.

“ *To Uncle Rudolph and family/& the Gipson family:*

Although I never got to know Tonya, I was very saddened when I got the news. Uncle Rudolph, I just hate you have to go back down this road again. I pray that God gives you and your family strength in the days ahead and know that Tonya is now at peace.
