“ *I have too many memories that I don't know where to begin seems how Tonya was my only sister. I will miss her so much. I'm even missing her presence now. I was so devastated to learn of the death of my sister/friend whom I loved dearly. I find peace and comfort knowing that I will see Tonya again. In the meantime.....her memory will forever live in my heart.*

This time of sorrow that our family is currently experiencing also reminds me that God is able and His is still in control!! His will is something that I've grown to accept because only He knows what's best.

“ Can't believe someone so full of life is gone so soon and suddenly. You left behind a presence that will be missed. I'll keep my promise I made even though you won't be here to kick my "you know what" if I didn't.

Love and miss you,
"Brotha in law"

“ Tonya and I went to Flint Academy and Northwestern together. She had a sweet spirit and a kind soul. It was a pleasure to see, laugh, and talk with her at Flint Northwestern's Class of '85 Reunion. She will truly be missed. God bless the family. Hold on to all the precious memories God gave you with her throughout her entire life. He has her now, and we all know she is in the best place she could ever be.

Sincerely,
Tonja (Harden) Rison
