“ *Dang, girlfriend I just happened to stumble across yo pretty face girl :-)*

Never thought that I would see the day that I would be able to smile but guess what... I'm "smiling". I MISS YOU SO MUCH GIRL, honestly, we all do. I can still hear your laugh in my ear. I guess I really got tired of being sad. I want to spend the rest my days happy. Besides, it really takes way too much out of ya kid to be sad. So, long story story short I love you ;-)
