My Uncle Travis's homegoing celebration was simply beautiful. To know him was to love him. My Uncle was as cool and as smooth as they come and you will never be forgotten. Much love to my family during this most difficult time. See you in the morning Uncle Travis.

“ *OG..thats what I called my friend. That is truly what he was. He was there for me in my time of need and we stayed cool like that . I appreciate what you did for me helping me with my son when I was going through that situation. You and your family. You guys always gave me encouraging words and always asked about my son and always welcomed me to your home. You was and still is one cool dude. You will be missed OG. May you rest in peace my friend...see you when I get there* ❤️
