“ *Even though we did not know your loved one personally, we are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.*

“ We were saddened and shocked to learn of Trevis's passing. He was an exceptional man with an exceptionally big heart. From the moment he met "our" family he treated us like "his" family. He always had words of wisdom or encouragement for our boys and we never saw him without his trademark smile. We know that there are no words to lessen your feeling of loss but we hope that knowing how much of a positive impact he was on the entire community will be of some comfort. We are praying that God's love would surround you and comfort you during this difficult time.

“ Trevis was a great guy, he has been my husband's barber for over 20years and gave my son his first hair cut. How many barbers come to at least one of your son's game of each seasnal sport? Trevis was one who shared in the joy of the boys accomplishments in sports and academics. Just last week he came over to play basketball with 10 12-15 year olds. "I'm going to show these boys how to play, yha aint got no game". He will be greatly missed. I will continue to pray for the family and friends. I'm going to miss "Hey Chan's momma".

“ Just learned of the passing of Trevis. A good friend and barber who was always there to help others. As a youngman many could have learned from him. A true businessman who enjoyed working with people. Never looking down on them but trying to pick them up and encourage. He enjoyed talking trash but with clean fun. I know he got that from his parents who raised him to be the kind of man he is . In heaven oh yes his heart was right and he believed in the Lord. To the family you will see him again. It's not how long you live it's how he live his life! GOD BLESS See you on the other side.
