“ *To Mrs E. Pearson and family : My sincere condolences to you all. Tristan was always a sweet, respectful young man from the time I first met him over 30 years ago. I will always remember that big smile of his and his laugh. He was very pleasant to be around. I haven't seen him in a few years, but hear about him and his life over the years. I know you all are very proud of him and his accomplishments. May God grant you peace and comfort as you all endure this great loss. My love and prayers are with you all.
