“ I send my condolences to the Robbins family. I send my love to Troy Robbins children Tyler Robbins, Shaquille Robbins, Faheem Robbins and Anjay Robbins. Stay strong you guys, may the Lord be with you in the time of mourning. It's okay to cry, The Lord is listening, And he knows your pain in this time of loss. I keep you all, along with Troy's sister and brother and parents in my prayers.

“ Sending all my love to his family and his daughter!  
I known Troy for 25 years and he was the most nicest humblest man that loved his mom and dad and his daughter so so much .... I'm going to miss how you would come to the club and we would just talk about everything! I love you Troy and just know that I know that your watching over all your loved ones and your not suffering no more! Until we meet again my friend just know I love you!!!!

“ To the Robbins Family:  
I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

Yours truly,  
Patricia
