“ *To the Johnson Family: May you find comfort knowing that your mother can now rest in peace. When I was first introduced to your mother, I liked her from the beginning, and looked forward to seeing her or asked about her whenever I would come home to visit. Hold on to the beautiful memories of her because I know there are many. Heaven has added a beautiful angel to watch over you. Love Sharon, Marshall and Cameron.*

“ To Alicia Booker and Family:

I am sorry to hear of your loss. I met your mother once at CAI. During that short period of time I observed that she was a proud grandma and mother. I know that memories of happier times with your mother will sustain you and I pray that GOD will continue to keep and comfort you in your time of bereavement.

*Sincerely,

“ With heartfelt regrets in the loss of your Mother Ms. Turencie Johnson. I can remember how your Mother would always smile when I would see her on Dexter St. or at a City Council meeting. I found a poem that reminded me of her. The poem is titled "She Is Just Away".

"You cannot say, You must not say, That she is dead, she is just away; With a cheery smile and a wave of the hand, She has wondered into a unknown land, and left us dreaming how very fair, it needs must be she lingers there. The love of there as the love of here. Think of her still the same and say, she is not dead. She's simply just away".

My prayer is for God to keep you and bless you.

*Sincerely,
