I haven't even told him about your passing yet because he's gonna be so heartbroken. Back in July after his father's passing you were one of the 1st people to come and check on us. You have always been so supportive of my baby boy. I'm sure he will forever cherish his memories of you and Washington DC trip. Sis Jenkins, people like you are so hard to come by. So happy and grateful that God blessed us with such a beautiful spirit. Thank you for everything. We will forever love and miss you.*
