“ Classmate and friends since 1961. I enjoyed her visits during the school reunions, many times she stayed in my home. I remember her losing her engagement ring down the sink Stinnett had given her and how anxious she was until she found it. I remember her laughs and how we took walks and visited on Sundays when we were in high school. There are many memories with Barbara Seals-Upchurch, Tyrelle and I since and during high school. My prayers to Tyrelle's family.
