“ To the Centers/Miller Family, we are all very saddened by this loss. I can only speak for myself when I say that Pootie, was one of a kind. Whenever I saw him no matter how long it had been, he always gave me the biggest hug, and asked how I had been doing. His laugh was very contagious, and yes he would make you laugh until you cried. Now our tears are of sorrow. He is in a better place, and is watching all of us. He has become our Guardian Angel now, so when you feel the urge to laugh, and you can't understand why. Just know that that is him cheering you up. Pootie you will be trully missed, but never forgotten. Love you forever.

“ Pooty was a wonderful friend and never will there be another such as him. He was a bright shining star in many people's hearts and lives. Now he will be a star in the heavens looking down on us. Never will he ever be far from any of us so long as we carry him in our hearts, he will be only a thought away.
I love you man and I will see you again my friend
