“ This is hard! Words cannot express the loss I feel after losing Bernestine and now Tyrone. The Connie family are my first cousins and I literally lived at their house when were kids. Every weekend, holiday, and summer break I was there. Bernerstine treated me like one of her own and did not hesitate to discipline me just the same. In fact, she probably whipped me more than her own. The memories and good times I will carry in my heart forever!! You BOTH will be dearly missed!! Tina, Janice, James, Courtney, and Kayla praying God gives you the strength you need to get through this. You know I am just a phone call away...Love you all!
