“ *My condolences & deepest sympathies are with all family & friends. Although no words can really help to ease the loss you bear, just know that y'all are very close in every thought and prayer. Remember the time spent and all the times in between! I'm glad Tyrone and I were able to establish a great friendship & I got to spend some time talking with him before I moved away. Tyrone still smiled in the midst of this all and for that he was a true fighter. Rest up Mr. Dunn and continue to watch over us. God Got Him & Tyrone Got His Wings!*

“Dear Dunn Family and Friends,
I am so sorry to hear of the loss of your dear loved one. Please
accept my sincere condolences. I too have lost several loved ones
in death, and the pain is fresh, even with the passage of much time.
Thankfully, I have found relief in knowing that "The Most High God"
is the "Hearer of Prayer", and a source of tremendous comfort in
times of grief and distress. (Psalms83:18, Psalms65:2) Please be
assured , death will soon be "swallowed up forever" and we will
have the opportunity to see our dead loved ones again. (Isaiah 25:8)
My family and I wish you and yours peace. (Phillipians4:7)
