“ *I didn't think this day would come so soon. Regardless of the fact, as my dad always said..."God is still good". Thank you everyone who showed up and showed love and support. My father once told me that he prayed God will give him at least 7 more years to live, and guess what? That was around 2012 when he prayed that request...so you do the math 😊. Yes God is good, he gave him more years than he asked for. My dad was not perfect but indeed he was the only one in this world who understood me, and I thank him and God for that. I also believe that if it weren't for my dad and my grandmother , I would know and have the desire for God as much as I do today. He planted a seed. I will truly miss him and I believe in my heart and through scripture that everything is going to be alright. 🙏💕*  
*Again, thank you friends for your love and support. And to all of our family, I love you all and stay strong.*
