“ Aunt Lear,

*I love you more than you could ever imagine! You set the perfect living example of how I should conduct myself on earth and truly exhibited what it takes to have eternal life. You were the closest thing to heaven on this earth. I appreciate the close times we spent together and I am so very grateful for all that you taught me.*

*We love you and will deeply miss you!*

“ I can only imagine the near disbelief for JOY that must have overcome Valeria when the angels lifted her soul from that Hospital bed and escorted her to heaven. I can only imagine the cascading JOY and shouts of "GLORY!! that came from her lips" -when Valeria finally saw that Pauline, J. W., Willie, Bea and other were standing there jumping and shouting for JOY because Valeria had come through. Yes, she was one of the greatest laborers that the Church of Jesus Our Lord ever had!! - Pastor

“ God saw her getting tired, a cure was not to be.  
He wrapped her in his loving arms and whispered "Come with me."  
She suffered much in silence, her spirit did not bend.  
She faced her pain with courage, until the very end.  
She tired so hard to stay with us but her fight was not in vain,  
God took her to His loving home and freed her from the pain.

“ God hath Not Promised  
God hath not promised skies always blue,  
Flower strewn pathways all our lives through;  
God hath not promised sun without rain,  
Joy without sorrow, peace without pain.  
But God hath promised strength for the day,  
Rest for the labor, light for the way,  
Grace for the trials, help from above,  
Unfailing sympathy, undying love.
