“ To the Massey family. I'm sorry to here about the passing of Ms. Valeria. She was a very kind hearted and soft spoken person. My prayers go out to the entire family. I know this is not an easy time for any of you, but no that she won't be forgotten. My mother and I loved her like family. I wish I would've had the chance to say goodbye before she made here trip to heaven. Stay strong family and if there is anything I can do, just let me know. I love you and God bless all of you.
