“ Babe has suffeed fo a long time and she is not in any pain. The last time i sat with her was right before Christmas and I asked her if she had made any holiday plans and her response was " I going all the way home, at the time i thought she meant to Arkansas. But now Iknow what she meant. I am thankful the she went on home peacefully. Earl, you did everything you could for her and that is all the Lord expects from us. He can say "My son, well done". Do not be sad because she at peace and you will see her again one day. Just keep your hand in his and he will see you throgh. If there is any thing that charles and I can do, you know how to get in touch with us. You just take care of yourself because that is what Babe would want.

*we are praying for you.*
