“ *Hey family! Although these are tough times, it is my earnest prayer that we look at times like these to do two things. Firstly, get right with God! Tomorrow is not promised, eternity is long and hell is hot! Confess, believe and receive. Secondly, get right with one another. Love like you have never loved before. Nesha, I love you little cuz. Feel free to call if you need anything. Marval, my daddy, God is able to comfort and strengthen you. "Look to the hills!" I love you and am here.*
