“ *Mrs. Vanessa and I worked in the same building at Murray State. I always LOVED seeing her. We would talk about music and what songs the jazz students were rehearsing downstairs. I lost touch with her after she stopped working at the university and I missed her a lot. I am so sad to learn of her passing, and I'm so sorry I didn't know until now. She was a wonderful lady and I thought the world of her. My sympathy to her family.*
