The "Dynamic" Vanessa Ann Fair was born April 25, 1954 in Newark, New Jersey, the daughter of Curtis Alexander Gist and Sarah Albright. In 1969, she moved to Flint, Michigan. Vanessa attended Northwestern High School, but received her G.E.D from the Bryant Center in 1973. For over 20 years she was a faithful and dedicated member to Evergreen Missionary Baptist Church where she served on the Usher Board and sang in the choir. Upon her death she was under the leadership of Pastor Le'Quin Williams, "Divine Revelations" church where she was a chartered member and served on the Usher Board. Attending church faithfully was important to her. Vanessa enjoyed her grandchildren, they were her world. Every time you saw her she either had a smile on her face or something crazy to say. But she enjoyed her family, laughing, shopping, music, close friends, cooking (when she felt it), going to the casino and helping others. Vanessa never turned down anyone who

needed help; if she could help you she did just that. Vanessa wasn't just a mother to her own children she was a mother to everyone's children and was greatly appreciated by many. She worked as a Direct Care Worker where her diligence showed.

Mrs. Vanessa Ann Fair leaves to cherish her memory: devoted husband, Willie James Fair of Flint; 3 beautiful children, Marcus Hopkins of Flint, Keyonta Williams of Macon, GA, and Tequila Fair of Flint; step-daughter, Alicia (Jimmy) Washington-Johnson; 6 wonderful grandchildren, Carteas Smith Jr., Jordan Nelson-Fair, both of Flint, Keyonna Williams of Macon, GA, MarcAsia Hopkins, Marcus Hopkins, Jr. and Markeis Hopkins, all of Flint; mother, Sara Albright; 4 sisters, Jean Hopkins, both of Dallas, TX, Susan Hopkins of Flint, Stephanie Gist and Yvonne Byers, both of Gastonia, NC; 3 brothers, Loran Lamont Hopkins of York County, SC, Keith Albright of Atlanta, GA and Kevin Albright of Flint; 7 nieces; 6 nephews; 4 aunts; 3 uncles; 4 sisters-in-law; adopted brother, John Brown; 4 adopted children, Jamez Cobb, Demond Cobb, Corey Short and Henry Beard IV; a host of cousins, god-children, other relatives and friends including special friends, Sandra Terrell, Tyra Brown, Cheryl Callaway and Renae Wilson.

“ I find myself back here every once in a while.. not daily because I have a journal that I go to a lot and write everything down there .. but since I’m here I just want to just get some things off my chest .. Grandma , im trying .. 😞 . I really am . lately I’ve been so stressed .. like literally . I have zero motivation .. and I’ve been really close to having breakdowns lately . I try to keep my emotions in control , but im literally starting to lose control of them . I had a dream about you a few weeks ago ... and you tried talking to me, but as soon as you called my name , I found myself waking up, shouting, and crying .. Granny why’d you have to leave me? I am all alone ... and you was the rock to my roll ... who can I confide in when I feel like my whole world is falling apart ? & lately so many people have been coming into my life & ive been getting attached only for them to leave . I’ve been picking myself up and wiping my tears , going into the next room with a smile plastered on my face pretending to be okay. granny I’m telling you ima really make you proud . 😊 . and I wish you could be here to see it , but I know you on my shoulder & with me every where I go .. im still standing strong .. every now and then when I get knocked down , I tell myself “you either get back up and keep fighting so you can win in the end , or you either be a sore loser and give up/lose all because you’re tired of getting knocked down..” I tell myself everyday “you got this” .. I know I do because I’m your grand daughter and you ALWAYS had it . ❤️ . I love you my angel . 🕊️ . until we meet again . 🤝

“ Once you leave this world people Never do exactly what you tell them to, and I hate that you trusted in those so much expecting the right thing. You worked extremely hard for those three girls to have that money and I apologize mom that they didn't get it, but I did all that you asked of me. I made sure that you were put away beautiful and the rest was out of my control, you trusted them to do the rest. However, regardless of what didn't get done I would like for you to know that everything is going to be alright. Jordan's growing up to become a strong 🍷 young woman just as you have taught her and as for me I am on my way to finish exactly what I started before you left me...

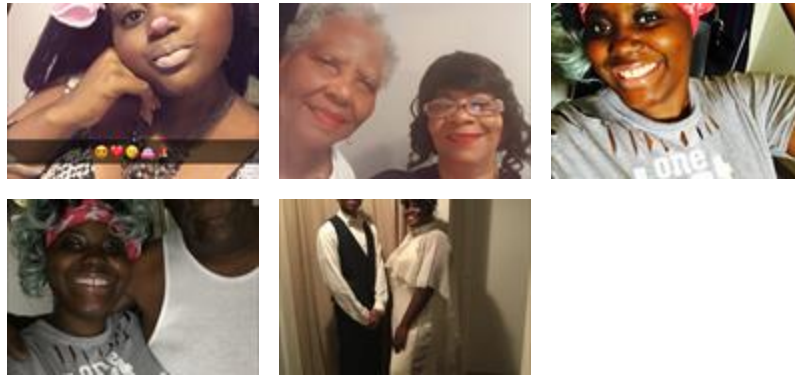

Momma I just wanna say thank you, you and I had our moments but I swear that each and every one of them were well worth it and I promise to NEVER FORGET YOU AS LONG AS I LIVE... I can hear you telling me to forgive and let that stuff go because life too short!! I can still see you blowing me a kiss that day and saying in a minute... Never know exactly what life will bring you, but I must say that some times in life people have to lose in order to grow. I love you shopping partner, trouble maker, my cook, best friend, casino rollie, trash talker, demander, heart breaker and last but not least
WORLD'S CLASSY WOMAN/MOM

I LOVE YOU ❤️🥰

“ Tonight, I was thinking about all the good times we've had .. I started to think about how I could talk to you about anything, how you'd always be there for me, how'd you always had my back more than my spine, how'd you always gave me the best advice , how'd I've never had to worry about anything , how you've always made sure I was straight . You had so many things you had to do, like pay bills and pay taxes , etc .. but yet you still would be able to supply me with food, clothes, shoes, keep my hair done, etc .. I was never in need of ANYTHING . I always wondered how you did it . You were always the #1 person I could call on .. when I was going through hard times, you were there holding me up so I wouldn't fall . I wish I could talk to you right now. I have so much things on my chest and I just need to vent to somebody. Thinking about you tonight has made me have one of the biggest breakdowns ever . 💔 . Knowing you aren't here to listen to my problems and help me out is the worst feeling ever . It still doesn't even seem real . I try to hold on and be strong and keep my head up .. but it's soooo hard . I cry almost everyday when I'm by myself . School is like my happy place. I cry there but not as much as I cry when I'm at home and thinking about you . You WERE my BestFriend . I didn't need anyone as long as I had you I was good . It's like I depend on others for my happiness now . People say I have a bunch of sadness filled in me and I take it out on people . Maybe it's true, maybe it isn't . I remember when you used to say "When I'm gone, you gone be saying 'My granny tried to tell me' ." That's what I say everyday . You taught me a lot . They say where there is no struggle there isn't any strength . I'm struggling with your lost, but I have some strength . Everyday I just wish you would come back and just talk to me again , laugh and joke with me again, give me lectures again, etc .. I sometimes ask God when I pray to let you be in my dreams and talk to me.. let me know everything is going to be okay. We're not good without you . My dad is doing great , but I can tell sometimes that he just wants to give up . I can tell sometimes that everything gets too hard for him . 🤔 . He takes care of me by himself but got 2 other kids to manage too. My mom helps, but not how she should . Everything gets harder . The things you haven't gotten to teach me,

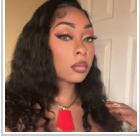

I try to learn on my own. Everything just seems so empty. It's like I stopped caring about everything , like my world just stopped when you passed . My grades are still good, but I lost myself . I'm not dead physically but mentally , emotionally, and spiritually I am. All I do is bottle up my emotions . 🥹💔 . Thinking about my Auntie and cousins make it no better . 🤔 . Everyone that I love is just dying . 😞 . I ask God to protect the family in my prayers every night . Sometimes I just want to give up myself . 💔 . Sometimes I just don't even want to care about school or anything . I'd rather just lay in bed everyday .. the only reason I haven't gave up yet is because I promised you and myself that I would make it . I would be the best that I can be . I don't want to be like everyone else . I want a career , not a job . I actually wanna see myself in 10 years doing good , married , with my own family . Then I can bring lots of flowers to your grave with a note saying "Granny I made it." ✨ . I know you're watching me and the family from above . ❤️ . Im trying, I really am . I love you granny 💕.
