This momentous occasion bring us all together to take part in the remembrance of the life of Sister Vanessa Louise (Williams) Bedford. As we reflect on the precious testimony of her journey. Vanessa was born on May 19, 1965 in Flint, Michigan to Deacon Henry and Sis. Cora Mae Williams. To all that knew her, she was fondly greeted by family and friends as "Nessa." At a early age Vanessa answered the call and was baptized in Jesus name and filled with the precious gift of the Holy Ghost at Bethlehem Temple Church according to Acts 2:38. Later, she was a proud graduate of Northwestern High School in 1983.

Years later she was united in Holy Matrimony, from this union came her two children Ebony L. Hall and Cyrus N. Bedford and the legacy of two grandchildren who she showered with unconditional love. She was excited to achieve her Associate Degree in Cosmetology from Mott Community College with 3.5 gpa in 2014. She loved life, loved God and serving his people. She

loved cooking, floral arrangement, shopping, traveling, and the most precious time was spent dotting over her grandchildren. Throughout her life she served the Lord with gladness (Psalms 100:2) as she offered faithful service at Bethlehem Temple Church, Southeast Christian Church, and Christ the Rock Apostolic Church. Vanessa would be found singing in the choir, serving as an usher, and preparing dinner in the Fellowship Hall as well as decorating the House of the Lord. She would be joyfully teaching the children in her Sunday School class this were her passion. She loved the Lord with all her heart, soul, strength, and mind. (Luke 10:27). But, most of all she was a "Praisers," she enjoyed singing the praises of God both in and outside of church.

Vanessa had an entrepreneurial spirit. After graduating from Mott Community College, she put her skills to use specializing in braids as well as nails services, from her home. She was also a hard worker but, never missed an opportunity to plant a seed for Christ. She was proudly employed as Food Service Assistant at both Turie T. Small Elementary School serving the children, and Bethune-Cookman University of Daytona Beach, Florida as a Food Service Assistant in charge of feeding the football teams. After returning to Flint, Michigan she was employed as a Food Service Assistant for the Flint Board of Education (School of Choice). She then gained employment as a compassionate Home Care Aid with Blessing Caregivers, and Vlassic Pickles Factory as a Line Topper among other duties.

In closing, as we reminisce, simply remember her bright smile, her enthusiastic voice that she raised in praise and worship, her spontaneous spirit; full of love and kindness will be forever cherished. Henceforth there is laid up for me a crown of righteousness, which the Lord the righteous judge shall give me at that day; and not to me only, but unto all them also that love His appearing. 2 Timothy 4:8...

“ To: Vanessa Williams-Bedford's
Family...

Our love, prayers and condolences are extended to each one of you upon the great loss of your loved-one!

Indeed, church was her love, life and longing! She, the Word of God and her family were just inseparable!! Also, the preceding were her "daily dose of deepness!"

Although quiet, her beautiful life spoke volumes--being faithful, kind and true! Further, she was blessed with a dynamic/leading/anointed singing voice!

Ebony, Bethany, Rose and the rest of your family: Be strong, encouraged and blessed! Her memories shall always be revered and cherished!

Love and prayers!

“ I want to offer my sincerest condolences - such an incredible loss. So sorry I couldn't make it to the homegoing - only reason I couldn't make it is because I had to tend to my Dad who is now very up in age. You all looked so strong - please know the prayers of the saints are with you and upholding you at this time. Love you all - feel free to call or text if you need me.

“ To her children, Ebony and Cyrus, I say, "You're going to make it! She didn't leave you in this world alone! There's always going to be someone and something that will help you when you need it! All you have to do is look for it and you'll find it! And remember, 'It is better to light one candle than to curse the darkness!' In other words, it is better to move on with your life and do something positive that will benefit you, your family, and your friends in the long run than it is to let this eat you up inside and eventually end up being more dead than she is. Don't ever let the latter happen to you. Live for your mother, live for yourself.
