“ *My prayers go out to the Davidson family. I remember Mrs. Davidson fondly. She was a fine lady, wonderful teacher and neighbor. She always kept all of the students in line at Stewart including me whether we were in her class or not.*

I recall one of the times when I was in Flint, stopping by to see her with my aunt, Lois Holt. Mrs. Davidson had a cute hat on and was outside with her adorable little dog. I called her a few times when I returned home and she would inform me on what was going on in Flint. She's going to be missed may she rest in peace.

“ *I did not know Davidson but it seems that she lived a full life long life. It seems that many people loved her. In God's eyes Ms. Davidson did not live long enough. At James 4:14 it says: "whereas you do not know what your life will be tomorrow . For you are a mist appearing for a little while and then disappearing. So in God's eyes we don't live long but notice the promise that he holds out for all here at Isaiah 25:8:"He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces. So if death is done away with then people will live forever. The bible also helps us to appreciate that one day all who have died will be resurrected from death, and will be able to live on a paradise earth . If you would like to know please visit jw.org. Again, I am deeply sorry for your loss.*

Margaret was a lovely lady, we had joyful times when she came to the Senior Center and played cards, she also taught 2 of my daughters at Stewart. I will keep the family in my prayers and may God keep the family in his grace. God Bless.
