“ I used to have lunch with Verlen everyday. One day we were sitting out at a picnic table and a man came running up and he had a gun. Verlen talked so calmly to that man and got him calmed down until security came. I was so impressed with the way she handled the situation. I always loved Verlen and all of her family that came to have lunch with us. God Bless each and every one of you. Love Maxine Vaughn CNA on rehab.

“ My sincere sympathy to the family and friends of Mrs. Webb. So sorry for your loss did you know that Jehovah hates death and views it as an enemy (1corinthians : 15:26) states that the last enemy death is to be bought to nothing. Jehovah has a yearning to conquer that enemy and undo death by means of the ressurection he yearns to bring back those who are in his memory and see them to live on earth again (Job: 14: 14,15).

“ I am going to really miss you moma. I know you is in a better place right. I would give up everything just for you to smile and joke around with us. You was a very strong person. I seen you fought to the end. I just wish that I can have just one more conversation with you. To here your voice, your laugh, here you fuss me out and the your grandchildren. I'm going to miss doing your hair, your touch, your presence you had when you walk in the room. I love you so much that it seem that my world stop moving.
