“ *My deepest condolences to the family. Mama Verlie will be missed by many. She was funny, loving and would do whatever she could to help anyone that needed it. I remember when she first saw my son Josiah she said that he reminded her of dad Haywood. I couldn't do nothing but laugh and say yes he sure does. The last conversation we had she said it again my grandson is just like my daddy she said. I said yup he acts just like him too. She was crazy about her first grandson. She will always be in my heart. I loved her so much and I thank God for giving her to us until he was ready for her to come home to Him. I will continue to keep the entire family in my prayers and thoughts.. Rest in His Loving arms until we meet again..
