“ *I met Vernesa when she moved across the street from me. She was one the best neighbors I have ever had. She has fed me and constructed a flower bed for my yard. I Love and miss her. I am sorry I did not get by to see her more often! I heard about the families loss too soon to be there. May God give you comfort at this time! I love you! Dennis*

“ I met Vernesa back in the early 80’s when I began working at Mott while I was a student. We worked in the Cashiers Office, with Corky, Irene & Mr. Stead. Vernesa taught me EVERYTHING about that office! She was SO smart. What a Beautiful and wonderful person & mentor she was for me. We became friends, she took me to my first visit to The Shoe Village in Rochester-it was Heaven!! And many more visits followed. I remember Sharonda as a little girl-your Mom loved you so much. I never forgot about Vernesa over all these years, she truly made an unforgettable influence on my life, I’ll always love her for that & just who she was. May God keep, comfort & Bless the entire family. Rest In Peace my Sweet Friend 🌹

“ I remember Nessa’s laugh the most! Whenever I visited Tricia during our junior high school years, Nessa always had advice for us. Her signature line “Now Tricia you know....” left us all laughing. She was my birthday twin. No matter where I was, I always knew that I was sharing the celebration of that day w/ Nessa. Rest well love. I will cherish our memories.
