“ *It feels so weird to read this over two years later. To remember your grandmother who I grew up having a mixed emotions toward. No matter what happened in life I still will say I love and adored her. She showed true faithfulness to her church. Sometimes a little too much toward the church but it's always good to have faith in something. I hope you are in peace and serenity in heaven looking down upon us. We (your true family) miss you. Sorry that you had to be connected with such snakes in your last days*

“ *To the family of Mrs. Martin,*

I am sorry to hear of her passing. I remember from a little girl going to Mt. Calvary MBC. She always had a pleasant smile and nice things to say. May you have eternal rest in heaven Mrs. Martin.
