“ Vicki "Swazy" Prince represents so much too me. She was such a gifted person that saw the best in everyone. There was nothing Vicki wouldn't do to make things better. All her teammates can confirm that whenever, we need something negotiated such as, a day from practice, trip to McDonald's after a game or a go to person for the win; Vicki would always be front and center. I'm sadden to hear of her departure. I have memories that life cannot erase and deeds that death can't remove. Love you much Swazy! See you on the other side. Love still wins sis.
