“ Cousin Vickie, I will always remember the fun we had growing up and how you taught me to be competitive and that I could do anything a boy could do and do it better. I remember we climbed trees and fences and shadow boxed. I got two scars on my leg from climbing a fence. I remember bleeding and you said to be tough and suck it up. I have a high tolerance of pain because of that today. I can handle the tough situations because you wouldn't let me quit. I love you and will forever remember you in my heart. ❤️ Sending my love and prayers to Marque and all my other family members. 🙏
