“ *We are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.*

“If love could have saved him, he never would have died”. One thing I do know for sure is that Victor was loved, and knowing the faith of your family, his home going will be a celebration. We will all miss his physical presence, and his exuberance for life, but we will take his spirit with us for the rest of our days. Have consolation in knowing that there are friends who care. Praying for the entire family.... May God cover you with his grace, and may you find strength and peace to carry you through this difficult time

“ Victor was a generous man who volunteered his time to help middle school students for several years. He worked with us in tutoring students who really needed help. Victor was funny, interested in the world around him, perceptive, and cared a lot for the young people he assisted. I am so sorry to hear of his passing and offer my heartfelt condolences to his family.

“ My friendship with Vic lasted more than 30 years. We met at Delphi and became friends instantly. I heard from him via email practically everyday. I was shocked and saddened to learn that he had passed away. Vic was a great person. He really loved his family and always talked about his children and grandchildren. He will be missed. My thoughts and prayers are with the Banks family. The Lord in his abiding way understands your sorrow and will give you peace and comfort. God Bless you.
