My deepest sympathy to the remaining family member of Victor James Thompson. Rest in peace my dear friend, your love for life blessed many people in numerous ways. God gave you special talents and you gave to others with the same. May the seeds you have sowed grow into what God designed for mankind. Blessings, You created Music Box Master Mix, Thompson and Roman Advertising Agency and Fox in the Box Entertainment just to name a few. Without the vision you shared with me, some of my talents may not have been discovered, thanks my friend. Rest yo soul.... Paulette Needom-Coney

“ To the Thompson Family; I was sorry to hear about the passing of your loved one. death is liken to a thief that comes ad takes away our love one. Or due to old age and sickness we lose that precious quality of life to death.

Many wonder why we grow old and die. Romans 5:12 answers that question. It says because of Adam sinning his punishment was death and sin and death was passed on to us all. However, our loving God, Jehovah (1John 4:8) made a way out for all of us by sacrificing his only son (John 3:16). God promised us that we will see our love ones again (1John 5:28,29). For more information go to www.jw.org and yu can find answers to any question you may have.

Yours truly,
Patricia
