“ To Bill and the family:
I'm saddened to hear that another soldier has returned home, but I'm grateful to God to have been one of many who was blessed by her presence, her character, her dry wit and her laughter! May your blessings continue to flow through the sweet memories Soot left behind!
Love always,
Linda

“ Dear Pickard Family,

Grace and Peace to you in the name of our Lord and Savior Jesus Christ.

Let me express my sincerest sympathies to the entire Pickard Family at the passing of Mrs. Victoria Woodyard Pickard. Her death is a tremendous loss but God knows best and in the midst of what has occurred, we are saddened, yet we also rejoice for we thank God for a woman who was created by God and loved by God. I regret not being able to be present but I assure you, God is always present during our times of need.

*During these times, I pray you can be encouraged by the words of Paul in
2 Timothy 4:7-8*

*"I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness,
which the Lord, the righteous judge, shall give me at that day."*

Life's circumstances often take us by surprise, but God is aware and is in control of all things. I encourage you to trust in God with all your heart, mind and strength and God will see you through. Lastly, know that there are people who come into our lives for a moment, a season or even a lifetime and Mrs. Pickard fit into all of those categories with the numerous persons God allowed her to cross paths. Our earthly loss is heaven's gain. We know the God who loved and took precious care Mrs. Pickard will guide you through this time of transition and know that you will continue to be in my prayers.

May God continue to bless you and keep you in His care.
