We Burtons have known Viola and her sisters from back in the day. This girl lit up a room with her smile, and had an unseen glow about her that you felt. She gave unconditional love to all! We watched her step into her role as the anointed one from God! A sister, wife, mother, humble leader and was always encouraging you to be a better you! We love you and may you live on as you transform from body to what you were all along, a heavenly angel! Thanking her family for sharing her with us!
