“ To the entire Dicks family, you have our sincere condolences. I remember as a young girl going into the vogue store, and Mrs. Dicks would always greet us with such a warm smile. I was in a fashion show at school one year where we modeled our on clothes. It was the outfit Mrs Dicks helped put together for me that helped me feel so special, i remember getting so many compliments, and a standing ovation.

Before we actually left the store my Mother asked " Jean ain't that outfit a little to old for her" lol she looked my Mother square into her eyes, and said "Pearl no" held out her hand for my Mom to hand over her credit card, lol

Gina was a great help to me, att a very impressionable age growing up. Whether she was in the choir stand, or braiding my hair , she was always very nice to me. Very instrumental in me understanding that it's okay not to be perfect, and God loves me.

Richard Jr, & David my friends my brothers... and the entire Dicks family my God continue to comfort you with his love, and give you his sweet peace

*My heart is heavy after hearing the news of Jean's passing. I prayed
for and believed she was getting better at home after talking to my
mom.*

*Richard, I'm sure you remember how close Jean and I were starting
elementary in school through high school and into the 21st century. I
have so many loving memories and will miss talking and/or seeing
her when I come to Flint. She was a constant in my family and loved
by all of us. Actually I cannot put the loss I am feeling into words. I
will keep the Dicks family in my prayers.*
