“ *I didn't know Pennye has passed until I saw it recently on facebook. I knew her from Western Michigan University and liked her when I first met her. She was always friendly, kind and just a good person. We use to keep in touch but years pass and we lost touch. My condolences to the family.*

“ Brother George and Sister Alberta, I am deeply sadden at the news of the beloved PENNY's transition. She was such a kind and beautiful soul and those of us who knew her share in your appreciation of what a unique person she was. I had a front row seat watching how you two raised her and how reflective she was of that love and understanding. May the Peace and Blessings be with you.
