“ *Hi Meredith,*

Saddened to hear about the loss of your mother. Mothers are special are so dear and special to hearts. We can rejoice and thank God for the time he allowed you to share with your mother as your best friend and confidant and most important that special mother and daughter relationship.

Thank God for being with us during these difficult times. "He hath said, I will never leave thee, nor forsake thee. (Hebrews 13:5)

Prayers for you and your family

“ *To the Hurston family and friends. You all have my deepest sympathy. I had the honour of knowing Mrs. Hurston when I attended Summit. I remember when she was pregnant with Meredith and one day Meredith came and stood outside our classroom. I was the first one to spot her she made me disrupt class because she was so beautiful. I will always remember Mrs. Hurston fondly, she was a good teacher.*

“ *Mrs. Hurston was my teacher at Summit Jr. High. I can honestly say she was one of the real teachers. She didn't take any stuff from anyone. When you left out of her class, you know America needs more teachers like her..... I can really say I liked her...*
