“Praise the Lord for another solider gone on home to get her reward. ”

MS Turner as we all called her from down south was my favorite teacher in third grade.

Because of her sweet spirit and all the special treatment I received from her my aspiration to become a teacher has come to reality. I loved her like she was my big sister. I appreciate the difference she made in my life it had such a positive impact!

May God continue to bless you family.

I knew her as Ms. Turner and Mrs. Duncan. She touched my life as my middle school home economics teacher, she was my favorite. I absolutely admired her so much so that I would tell people she was my aunt. She remembered me into adulthood and thought of me when my mom died. I have missed her all these years but know that I will see her again when the Lord returns.
