Voncile Lusane was born June 18, 1933 in Evergreen Alabama, the only daughter of Walter and Pearl Knight. Sister Lusane was the youngest of 6 children. She was raised in a loving home and understood the meaning of having a personal relationship with God early on in life. Voncile received her formal education at Conecuh County High School in Alabama, where she received her diploma. She also was a member of the girls basketball team. As time went on she also tried her hand at a little tennis. In 1953, Voncile married the love of her life, Herman Lusane on March 10, 1953 in Holy Matrimony. Shortly afterwards they moved to Flint, Michigan. They settled down and began raising 4 children. She was a loving, caring, devoted wife and mother, that made sure her family was taken care of. Sister Lusane was very active in her community. She was much involved and being a participant in P.T.A., school sports, Girls & Boy Scout. She was also a Teacher Assistant. Sister

Lusane began her employment working at AC Spark Plug and Buick, divisions of General Motors Corporation for a short while. Knowing this was not what she had in mind to do. She had several jobs before she found the right one for her. So furthering her education she began attending Mott Community College where led her to getting her CNA Certificate in Health Care. Sister Lusane began working at Genesee Memorial Hospital and worked her way up to Sterile Processing Tech., this is where she stayed until she retired in 1994. She became a Foster Mother in the early 80's, as a result her and Brother Lusane became Adoptive Parents. Sister Lusane also was a member of the Order of Easter Star, Willie Carter Chapter #180 and member of Sister United. She joined a bowling league in the mid 70's thru 2000's, enjoying every minute. Sister Lusane loved cooking her famous Pineapple Coconut Cakes for the family, she loved cooking period. She would always have a big family dinner anytime. She also loved traveling when she was able. Oh she loved to watch sports on TV, football, basketball, baseball, any sport no mater what it was. Sister Lusane was a very direct person, she would tell you just what's on her mind. No going around the bush. Also, she was very feisty, I mean feisty, for those who knew her, but loving and caring. She also cared for the sick in the family, when there was a need, she would help. Caring was her life, life was caring! She also was into politics and voting rights. Sister Lusane wanted to make sure you knew your rights. She was one of Sister Vera Rison's biggest supporters. Sister Lusane loved her church, she could not attend like she wanted, but was always there in spirit. She praised the Usher Board Team she was on, she always would say they had it together because she was on their team!!! Sister Lusane would say "let love be your light." Sister Voncile Lusane leaves to cherish her memory: adored family, children, Ralph (Elaine) Lusane, Deborah (Arthur) Dent, all of Flint, Tammie (Ronnie) Moss of Loganville, GA, Herman (JoAnn) Lusane Jr., Willie James (Lois) Roach of Omaha, NE and Terrell (Asley) Moncreff of Iowa; grandchildren, Delano Stanley, Sherron (Sandra) Lusane, Yukima Lusane Moss, Tyvon Lusane, Ralkeita (Donald) Hamlin, Najah (LeDarion) Scoot, Aseelah Dent, Tyshea

“ *To the Lusane Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*

“ Good Evening, my memories of this beautiful woman, my beautiful cousin and my beautiful friend is that in the 60's every summer my older sisters and brother(Pearl, Dorothy and my brother David) would drive to Illinois pick us up to give my mom a break. And we look forward to it, my 3 brothers(Louis, Leon, Fletcher and me Jean) doing this time we would visit our cousins and one of our favorite house to go to was cousin Voncile because she had children our age (Ralph Debbie and Tammy at the time) we got chance play a lot, she was a little fiesty little lady, and her husband cousin Herman he was always so soft spoken and kind ,I thought she was so pretty always dress nice , was always generous with dinner did u want anymore. But going there was one of highlite of our visits . I am going to trully miss her, I didn't know then some many years had gone by,and now I am mom and she, and cousin Herman came to Arizona on some business which they stayed with me, and now I had a 12 year son and when we would get home from work and school she would have our dinner cook,my son love them so much, and on twice a week his dad would pick him up but he would sit in his car and blow his horn for my son, and Herman ask Voncile u wonder why he does that instead coming to the door, she told him Jean has told him not come on her property so Herman said what Voncile said because thats the Mitchell in her and start laughing and he ask me when I got home if t was so, I said totally yes she new those Mitchell so well ,one day a friend of mine came over and we were going to auction I ask if they want to come so they did we got there Voncile want to bid they loved it, mostly every evening she would ask when are we going back. I loved my time with them Herman would have men talk with my son and his friend when he come over they loved them some Herman,Herman and Voncile would give them money to go to the mall to play games, both of my cousin were so nice to us, we miss them so much when they left, while they were here they bought a new TV and gave it to my son he was so happy and excited , sometime he would ask when are they coming back to visit,my son enjoyed them emmensly. Last but not lease that visit drew us so close I would call often to talk to them both and sometime get counseling she would always

say at the end of the conversation you going have to give it to the lord. Before I finish we had the Mitchell family reunion there in flint Voncile family and Nan family hosted it there, boy they did a grand job first time I have ever had a coconut pineapple cake that cake look like it was 3 feet tall never seen anything like it she was a excellent cook but most of all supreme Baker never had a cake taste that good ever, I told her how much I loved that cake, she said Jean let me know when u come I make u one, that was the way she was always generous love to give, saying a kind word and she love the lord! My ending is: The Mitchell Family not be the same without Voncile Lusane. I know we'll find comfort in each other and we'll get through this together ❤️
