“ Wadell, There'll never be another like you! From you doing my hair when we were kids to being that shoulder whenever I needed it. Your passing has really sadden our family. Know that God makes no mistakes and he's called home a true Angel.

“ Hey Waddy..... u know that we gone miss you down here... You gave so much of yourself to us loved one's and we will forever remember the good times we shared with you.

To the Family....May the Joy of the Lord be your strength during these times of sorrow. You all are in my prayers Wadell was a great friend to me, kinda like a big brother. We shared some special times thinkin back even when things were bad he made em happy. When I heard of his passing it deeply sadden me especially considering I left Flint a couple months to come here to obtain my degree in Funeral Service...so im unable to attend his homegoing....But I remember Im here partly due to his encouragement and guidance so with that I want to leave you with this piece of encouragement.. Remember Earth has no sorrows; Heaven can't heal. Let's all continue to pray for each other and comfort in knowing that our brother,friend, uncle, dad, son, will have no more pain.
