“ *Walt and I worked together on the same team/ workgroup in the Flint area... Many good memories of Walt, especially like working with him on his computer systems he had in his home.*

Years ago, I was in a passion play production at my church as Jesus. Walt drove up from Flint to see me in the production. I recall that he was moved to tears. It was pleasant to see that side of the former marine.

He also spent some time with my daughter and me shooting his handguns out at Williams Gunsight. We especially liked the 'Desert Eagle' 44mag. I think it was his favorite too.

My family and I will miss him... he was a good friend.

“ *During your journey on your final flight home.
White wings will carry you and you will be flown.
To the pearly gates of Heaven, where they will usher you in.
To the feet of your Lord, your Saviour, and your friend.
He will hold you in his arms and the angels will sing.
As another one of His children is delivered by white wings.*

Rest in Peace
