“ *Sending prayers and condolences to the Slaughter entire family, and love ones. I worked at Delphi with Walt. He was strick, but he was fair. He wanted the best out of you and he believed in you learning about your machine and not getting hurt. He started attending Mt. Olive and we would tlak at Delphi and he and your friend Mr. Evans would see how was dressed the best. For our earthly house has dissolved, but we have a building of God. a house not made with hands, but eternal in the heavens. Rest on in JESUS Loving Arms Mr. Slaughter, both you and Mr. Evans are still dressed to the nines and strutting around heaven.*

“ *I affectionately called my godfather(dad). He was a strict intelligent man that demanded excellence in life, especially education. Our relationship grew as I got older and he was definitely a jewel. He loved to tell people that I was his daughter and I was even more proud to tell them he was my dad. He was a undiscovered comedian so he kept us laughing. Rest well dad. Love you* ”
