“ Dr. Southall was our family doctor for many years. He took care of my father, mother, 2 brothers, my husband and me. We always had great care and and appreciated his excellent resources. I even sought his advice several times after he retired. We all had great respect for him and his counsel. Rest well Dr. Southall and thank you for your care, not just for our family, but for many other Flint families as well.

“ *This transitioning to Heaven touches home for our Family deeply. Very long term connections! Dr. Southall was our home doctor in the 60's when doctors made house calls. It extended until I was 17 years of age being one of the best Doctors in Flint MI, working out of the T Wendell Williams building on North Saginaw! Valarie and Jackie her daughter (one of my daughters best friend/sister) are definitely apart of the Hughey/ Wortham family in a very close way. We offer our condolences to you Val, and the Family and pray that if we can do anything that will make this transition to Heaven easier please don't hesitate to call! We Love you all very much, your extended Family, the Hughey/Wortham Family.*
