“ To Wasco and Wabian,  
I am so sorry to hear about your loss. I talk to Wesley 2 years ago and he was so excited about coming to see me in Atlanta, but he never made it. I remember when Wasco use to rap and Wesley would be standing back beat boxing (Smile). I am saying all of this to let you know that your memories of Wesley is yours to keep and no one can take them away from you, so hold tight to Wesley through memories. Wasco call me if you need anything (I mean that).

*P.S I knew that Donta Moore was gonna forget to give you my condolences and contact info Wasco and thats why I am signing the guestbook to let you know that you are loved and that I am here for you and Wabian.*

*Love You All & God Bless!*
