“ My condolences, love and my prayers go out to the family, whom I've known practically all my life. Wesley was like a little brother to me. When I used to see him out, we would greet each other with the biggest hugs. Wow I'm really going miss him. It hurts to see a part of my childhood life going away and will not ever visibly be seen again, but he will always be in my heart. Were gonna miss you.

I LOVE YOU 🙏🕯️🙏💖

“ Wesley had a way of letting me know I was talking to much, with just one look, yet he still listened. Then when all was said and done he would remind me to remain grateful. Rest in heaven my brother!
Thank you for making a difference in my life, and many others as well.
