“ *Bro. Towns was a wonderful man and good friend to my grandfather when he was alive. I'm pretty sure they are in heaven having a good conversation. May God bring the family comfort during this time and know that he is in heaven. There are no words to comfort, but only God can! My condolences to the family.*

“ *For me Brother Towns' presence was comforting and uplifting. He always greeted me in such a way that I actually anticipated and looked forward to seeing him when I entered the church. Just seeing him, I knew I'd receive a greeting that made me feel seen. He greeted me in a way that made me feel important. I could go on but I'm sure he did the same for everybody who was blessed to have met him. He made us feel special, like we mattered, like it mattered that we were there that day. We're going to miss you Brother Towns*

“ *Dear Families,*

*It has been truly a blessing having Wiley in our family all of these years. He was a great man who memories will always be cherished by me and my family. Lift your heads to God and let Him direct our steps as we are at a loss at this time in our journey here on earth but let us keep him forever close in our hearts now as we share our stories and share our love.*

“ Dear Towns Family and Friends,  
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is fresh, even with the passage of much time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress. (Psalms83:18,Psalms65:2) Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again.(Isaiah 25:8) My family and I wish you and yours peace.(Phillipians4:7)
